**Ameresco Announces Investor Events during Solar Power International Trade Show**

**FRAMINGHAM, MA** – September 21, 2018 – Ameresco, Inc. (NYSE:AMRC), a leading [energy efficiency](#) and [renewable energy](#) company, today announced two investor-related events in which it will participate next week during the Solar Power International (“SPI”) trade show in Anaheim, California.

First, Ameresco will conduct investor meetings at the 6th Annual ROTH Solar & Storage Symposium, to be held on Tuesday, September 25, 2018 at the Anaheim Hilton Hotel. The Symposium is hosted by Roth Capital Partners. John Granara, Chief Financial Officer, and Nicole Bulgarino, Executive Vice President of Federal Solutions, will be available for meetings throughout the day. Attendance at the symposium is by invitation only for Roth clients. Please contact your Roth sales representative for conference registration information and to schedule a meeting with Ameresco.

Additionally, Ameresco’s Vice President of Government Relations and Public Policy Ashley Patterson will participate in a panel discussion entitled “*What the Hill is Going On!? A Federal Update*”. The panel will analyze recent developments in Federal policy and the impact on solar power markets. The panel presentation is part of the SPI program, and will be held on Tuesday, September 25 at 9:30 am in Room 205AB of the Anaheim Convention Center.
