

Diversity, Equity and Inclusion Policy

Ameresco Inc. is committed to fostering, cultivating and preserving a culture of diversity, equity and inclusion as we lead the quest to change the world as the trusted sustainability partner. We create valued, single sourced, efficient energy solutions delivered with passion, expertise, teamwork and a relentless focus on customer satisfaction.

Our human capital is the most valuable asset we have. The collective sum of the individual differences, life experiences, knowledge, inventiveness, innovation, self-expression, unique capabilities and talent that our employees invest in their work represents a significant part of not only our culture, but our reputation and company's achievement as well.

We embrace and encourage our employees' differences in age, color, disability, ethnicity, family or marital status, gender identity or expression, language, national origin, physical and mental ability, political affiliation, race, religion, sexual orientation, socio-economic status, veteran status, and other characteristics that make our employees unique.

Ameresco Inc.'s diversity initiatives are applicable—but not limited—to our practices and policies on recruitment and selection; compensation and benefits; professional development and training; promotions; transfers; social and recreational programs; layoffs; terminations; and the ongoing development of a work environment built on the premise of gender and diversity equity that encourages and enforces:

- Respectful communication and cooperation between all employees.
- Teamwork and employee participation, permitting the representation of all groups and employee perspectives.
- Work/life balance through flexible work schedules to accommodate employees' varying needs.
- Employer and employee contributions to the communities we serve to promote a greater understanding and respect for diversity.

All employees of Ameresco Inc. have a responsibility to treat others with dignity and respect at all times. All employees are expected to exhibit conduct that reflects inclusion during work, at work functions on or off the work site, and at all other company-sponsored and participative events. All employees are also required to attend and complete annual diversity awareness training to enhance their knowledge to fulfill this responsibility.

Any employee found to have exhibited any inappropriate conduct or behavior against others will be subject to disciplinary action. Please refer to Harassment policy for more detail.

Employees who believe they have been subjected to any kind of discrimination that conflicts with the company's diversity policy and initiatives should seek assistance from a supervisor, the Senior Vice President of Human Resources, or a member of the Legal team.

As a leading cleantech integrator and renewable energy asset developer, owner and operator, we will always welcome, support and celebrate unique ways of thinking. We believe innovation demands diversity of thought, and Ameresco will always welcome and celebrate our diverse team.
